Water Aerobics Anyone?

Last week Gwyneth told us about a possible great opportunity of having a water aerobics class. She met with the YMCA about this neat chance. If we get enough interest, we would even be able to have our own class with just enrollees from the Mack Love Building; otherwise we will be intermingled with whenever the next class will be. If interested, there are sign up sheets at the front desk. The telephone number request is for Gwyneth's use only. She will not give it out to anyone else and will keep it private. She will use it to let you know if we were able to make a class. Gwyneth has also requested that if there are any other classes you have interest in at the Y, please give her a call and let her know.
