Terrific Thursdays

If you haven't heard yet, we are spicing things up and making some changes starting with the Summer Session. First off the starting time will be moved from 9:00 am to 10:00 am. We also have added some exciting new twists for Terrific Thursdays. Along with all of our terrific regulars, we are adding some new classes to spice things up a bit. We will continue to have Woodcarving, Quilting, Oil Painting, Mah Jong, Bridge, Canasta, Wii Sports and Information, Please, and our lunch program. However, we have also added these stars to our lineup:

A person does not need to be a member of Terrific Thursdays to enroll for these classes. Tuition for these classes is separate from the standard enrollment fee for Terrific Thursdays. We are making a special offer to those enrolling for Terrific Thursdays-if you are interested in taking any

of the other classes being offered on Thursday, you will receive a 50% discount off of the enrollment fee for that class.

The Harmonizers

Do you like to sing? Join this happy group and sing for shut-ins, assisted living homes, retirement homes, etc. The Harmonizers meet one day a week for one hour with a trained director at Mack Love and sing songs familiar to everyone. This is a great chance to practice your singing, socialize with a neat group of folks, and bring joy to others. If interested, please let one of us know at the front desk, and we will pass along the information.

Five Flag Day Facts

Here are five facts you might not know about this U.S. holiday:

- ◆ June 14 holiday commemorates the same day in 1777 when the Second Constitu-

tional Congress adopted the thirteen-stripes-and-thirteen-stars flag.

- ◆ The stars were put on a blue field, "representing a new constellation" in the night sky, according to a White House proclamation about Flag Day.
- ◆ In 1914, President Woodrow Wilson dubbed June 14 "Flag Day." In 1949, Congress passed legislation asking the president to issue an annual proclamation calling for the observance of the holiday.
- ◆ Federal government buildings are asked to fly the Stars and Stripes on Flag Day.
- ◆ The week in which June 14 falls is National Flag Week, and citizens are encouraged to fly the flag that week.
