Crochet A Bag Class, Scheduled for Next Tuesday, August 17—1:00 pm

Once again and due to the popularity of this class, our instructor, Barbara Lester, has agreed to put on another class next week. These are the supplies that you need to bring with you to the class: A pair of scissors (make sure they will cut plastic); as many plastic bags as you can of any color and a crochet needle—size J through N (the larger the needle, the larger your space between stitches will be). This class is *free*. Please remember to bring ALL of your supplies with you when you come next Tuesday and that would entail your scissors, your bags and, most definitely, your crochet needle.

**Construction Started At Mason Mill Recreation Center
Reminder**

Construction is starting on the Recreation Center downstairs. Due to this construction, there will be limited access to downstairs for the next 6 to 8 weeks. This may also cause some challenges in regard to parking in the parking lot. As of right now, nothing will be changing upstairs here at the Mack Love Building! During Phase 3, they will be repaving the parking lot, but we will let you know as these events start to occur. We truly appreciate your patience during this time!

**Adventures in Learning
Fall 2010 Catalogs**

The catalog for Fall 2010 is scheduled to go to print and will be available shortly after that. We had mentioned last week that the new catalog was scheduled to be online this week. It has not yet been posted to our website, but we will advise you as soon as it becomes available.

Change for the Fall Session & Date Change for Terrific Thursdays

Classes for the Fall session will start on October 4; however, Terrific Thursdays will start one week earlier on September 30. Remember you'll be able to start registering online soon for these classes, and we'll let you know as soon as that option becomes available.

The Passing of Pauline McCarthy

Pauline McCarthy recently passed away on July 20. Mrs. McCarthy was one of the beloved artists here at Life Enrichment and now the Mack Love Center. Her beautiful work, along with her beautiful personality will be missed. Our condolences go out to her family. For further information, there is a copy of her picture and obituary at the front desk.
